## Dr. PRICE'S CREAM Baking Powder

*A grape cream of tartar powder.  
Makes pure, healthful, delicious  
food. No alum, no lime phosphate.*

*There is an infallible test by which  
every housewife may detect the unhealth-  
ful alum baking powders—*

### The label will tell

*Study the label. If it does not say cream  
of tartar the baking powder is made from  
alum and must be avoided.*

#### Thanksgiving Proclamation

By the Governor of Arizona:  
To the People of Arizona:

The President of the United States by his proclamation having designated Thursday, November the 26th, 1908, as Thanksgiving Day, I, JOSEPH H. KIBBEY, Governor of Arizona, have proclaimed and do hereby proclaim Thursday, the 26th day of November, 1908, to be a holiday to be observed as THANKSGIVING DAY in the Territory of Arizona, and recommend its celebration accordingly.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the Territory to be affixed.

Done and proclaimed (SEAL) at the City of Phoenix, the Capital, this sixteenth day of November, nineteen hundred and eight.  
JOSEPH H. KIBBEY.

By the Governor:  
JOHN H. PAGE,  
Secretary of the Territory of Arizona.

Sheriff and Mrs. Woods returned from Phoenix the fore part of the week. Mr. Woods is still quite sick from the cold he contracted nearly a month ago.

The two troops of the 5th cavalry left Holbrook Friday for their new home in the Yellowstone Park. They were in command of Lieutenant Martin. But few of the old 5th boys were among this detachment, yet still now and then a familiar face of twenty-five years ago was seen among this famous troop. In a few days a detachment of the 8th cavalry from Ft. Yellowstone will reach here enroute to their future home at Ft. Apache. All honor to the old 5th. They were the hope and refuge of Arizona in the early days when Apache outbreaks were the general recognized order of the day.

Mr. Lackey was again with us Sunday. His Sunday school is in a very healthy condition and all are encouraged with the good work. Mr. Lackey held services at the school house Sunday evening and was warmly greeted by a large audience. The work of such a man should be encouraged as he is "all to the good." He is figuring on having a Christmas tree here as our merchants and other business men have signified their willingness to contribute in a liberal manner.

Mr. Clarence Owens was in Holbrook Sunday from his ranch. Soon as loaded with ranch supplies he returned to his home.

After so long a time with us, Loui Sam Kee has sold out his restaurant to "Washie" and will leave in a few days for China. But few men are known better in northern Arizona than Loui Sam Kee. He has been the standby and the land-mark for hungry cowboys and traders for the past twenty years. This is his fourth trip to China since first coming to America, but now he says he is getting old and that he must make peace with his gods so he is going home to die.

Last Friday a dance was given at Adamana that was thoroughly enjoyed by all. The parties getting up the dance sent to Snowflake for Youngblood and Allen to furnish the music. Among those attending from Holbrook were Miss Julia Scorse, Miss Berth Benson, Miss Zella Jones, Miss Anna Gardner, Miss Bessie Frost, Miss Laura Brener, Mrs. L. D. Divilbess, Mrs. Zuck and niece, Edna, Charles Faught and Denny Hibben.

Mr. W. B. Cross is the proud possessor of the prize pullet of the Rhode Island Red variety. Last Sunday this chicken laid an egg that measured 7¼ by 6½ inches and weighed six to the pound. This seems to break the record for a pullet that was hatched on the 25th of last February. Mr. Cross will endeavor to take his prize beauty to the next fair at Phoenix where he will probably sell it to some one for an ostrich.

The weather has not yet been cold enough to drive the snakes to their winter homes. One was found in the drug store last Saturday and had to be worked over with a stove poker to make him see the error of his ways. After James Scorse got done with him he was not much further use as a snake.

Mr. John Connors made a trip to the headquarters ranch during the week to repair some of the machinery that had gotten out of order.
